DESCRIBE THE SETTING(S) OF YOUR MOVIE.

Leave It Up To Fate takes place among the Mortal World as well as the Underworld and Mount Olympus. The majority of the movie pops in on different mortal's lives as they are affected by the Big Three. The Fates' actions will be a **reflection** upon the Big Three's destiny.

DESCRIBE THE "CELEBRITIES" (OTHER GREEK CHARACTERS) THAT YOU WOULD CHOOSE TO PLAY THE CHARACTERS IN YOUR MOVIE. EXPLAIN WHY HE/SHE IS A STRONG CHOICE FOR YOUR SUPPORTING CHARACTERS.

Throughout this movie there will be appearances by Zeus, Hera, Hades, Poseidon, Persephone, and of course The Three Fates. No Greek mythology movie is complete without the most famous of Greek gods and goddesses. The Big Three, Hades, Zeus, and Poseidon will play a vital role in our story as they each bring a strong and large personality to the film! The **fractured** relationship of these brothers will bring new trials, adventure and drama!

SUMMARIZE THE MOVIE SYNOPSIS IN A PARAGRAPH.

The Fates have been **flexible** throughout their time with the gods and goddesses. They tried to stay under the radar when it comes to the Greek gods drama, but they have had enough! Zeus, Poseidon, and Hades are in for a surprise as the Fates step in and create a new kind of war, destruction and chaos. There are bound to be casualties among **fragile** mortals. The Big Three thought they were untouchable until now...
